

Beyond the Classroom

Creativity, Action, Service & Enrichment (C.A.S.E) allows students to create a portfolio of evidence to demonstrate their skills & understanding through a series of activities embedded in the school day.

C

Creativity:
The act of turning new & imaginative ideas into reality.

A

Action:
Physical activity leads to a healthy lifestyle & provides balance to the academic programme of study.

S

Service:
We emphasise the importance of ethical awareness.

E

Enrichment:
Development of skills that are transferrable to both academic & non-academic pursuits.

Leadership development is a key aspect of Tenby Ipoh Sixth Form, where students have opportunities to develop through **the Sixth Form Union, Student Council, Prefectorial Board & Leadership Camp** in order to prepare for future leadership roles in their careers.

TENBY IPOH SIXTH FORM

A-level Programme

AS & A-level programme recognised as a gold standard worldwide for university entry. **Tenby Ipoh Sixth Formers** progress to top universities worldwide & study a wide range of courses that provide them with secure & exciting career opportunities in a competitive global market.

We offer **flexible pathways** with a range of entry & exit points available to best suit the **needs of each individual**. Our **supportive pastoral system & experienced staff** provide guidance to each student to best meet their **academic & wellbeing needs**.

The relationship between our **academic programme**, alongside a **well-established co-curricular** offering allows students to develop holistically, opening doors for our students around the globe.

Our Alumni have recently been awarded prestigious scholarships.

1. **Lester B. Pearson Scholarship** from the University of Toronto – 4-year fully funded undergraduate degree.

2. **ASEAN Undergraduate Scholarship** to Nanyang Technological University, Singapore.

3. **Yayasan Sime Darby Excellence Undergraduate Scholarship**,

4. Student attending University of Edinburgh, **UK Undergraduate Scholarship** – Loughborough University, UK.

Careers & university counselling is available both on campus & through the regional Future Pathways team. All students have a **Unifrog account** to support their research into careers & university choices & processes.
