ABOUT NCUK

NCUK is an established international higher education qualification and service provider with over 30 years' experience. We are a consortium of leading universities dedicated to giving international students access to universities worldwide and helping students succeed when they get there.

Our qualifications are designed by our universities, taught by our global network of Study Centres, and studied by students aspiring to get into some of the top universities in the world.

We've helped over 35,000 international students gain guaranteed access to leading worldwide universities, choosing from thousands of different courses, and earning degrees in a wide range of subjects.

NCUK. Your best route to university.
