At Tenby SEP we believe that a child's welfare is paramount. Each and every student has the right to be protected from harm and exploitation and to have their welfare safeguarded.

Safeguarding at Tenby SEP

Our safeguarding team works together for the wellbeing and safety of all students on our campus. You can speak to any of our Safeguarding Leads to report a concern or to Ms. Vaisnavi for advice on student wellbeing.

Campus/TISP

We work in partnership with parents and other professionals to ensure the protection of students.

If you have a concern about a child, please report it to the designated safeguarding lead in their school. We take all concerns seriously and always act in the best interests of the young person. This may include enabling early intervention support to be put in place within school or making a referral to specialist external agencies. It takes a community to safeguard. Together we can keep all our young people safe.
