ISP Maths Challenge

$(4x + 3)(x - 3) = 0$
$x^2 = 17x - 72$
Learning Area
Maths & Problem Solving

Age Range
5 - 18

Dates
November 2021

Participants
Open to all

Format
Online

The annual ISP Maths Challenge is a free online competition for ISP students with a range of exciting team and individual prizes up for grabs!

Participants go head-to-head with students from other ISP schools, testing their logical reasoning, and practising their analytical thinking and problem-solving skills.

The competition takes place on the award-winning Mathletics platform engaging students through gamified learning, rewarding improvement, and creating a positive and fun maths experience for all students no matter their level.
