Human Rights

Age Range
5 - 18

Dates
Visit to schools: All year round
Awareness Month: March 2022

Participants
Open to all

Format
In-school & online

Street Child United (SCU) is the official charity partner of ISP. They do amazing work campaigning for the rights and protection of street-connected young people. ISP schools support and promote SCU's work through initiatives to raise awareness as well as fundraising activities.

Our partnership with SCU also gives ISP students the opportunity to hear from, connect with, and support some of the most vulnerable young people in the world. Schools have visits with special guest speakers from the charity and their young leaders, gaining an insight into the lives of those that live in or are connected to the street.

It is a great platform for children to learn about humanity and challenges other children around the world face. To be able to listen to some of their stories and how they overcome difficulties in life was truly inspiring. I am very grateful for the opportunity given to my girls to be part of SCU.
