

**Parvati, Mariam and Zhang are coming to
Tenby International School Setia EcoHill**

Welcome to Tenby Setia EcoHill Primary School

Tenby Setia EcoHill Primary School (Tenby SEH) is a friendly school where everyone feels welcome.

We are all caring and respectful here and we encourage everyone to be friends and help each other.

There are lots of fun things to do! Parvati and Zhang are playing with the giant chess set.

“Great move, Parvati,” says Zhang.

Finding your way

The teacher is showing Zhang around the Primary library.

“This is where KS1 and Year 3 come to borrow books and enjoy story time,” she says. **“We have a fun CCA in here too!”**

What are you looking forward to most about coming to Tenby Setia EcoHill Primary School?

What will I do at Tenby Setia EcoHill Primary School?

Subjects

Your learning journey will be exciting at Tenby SEH. You will be getting better in maths, English, Mandarin, and Bahasa Melayu, and exploring lots of different subjects like science, art, D&T, history, geography, and music through our project-based learning topics.

Our project-based learning includes really great topics like Hola Mexico! Stargazers, Blood Heart, Burps, Bottoms, Bile & Ears! and Land Ahoy! The topics are hands-on and include lots of research and investigation. They are creative, engaging, and enjoyable – full of good struggles.

We have PSHE and computing too, and not forgetting PE and swimming every week. It really is an Amazing Learning opportunity.

Look, Zhang and Parvati are practising maths with their teacher. **“Well done, Parvati,”** she says. **“You have tried really hard today!”**

Facilities

We have wonderful facilities in Tenby SEH. As well as our classrooms, we have a STEAM room in the Primary Block, where KS1 and Year 3 learn art, D&T and science, and another art and D&T room for KS2 near the KS2 Block.

There is a well-equipped music room in the Primary Block, and there are two IT suites. There are also two great libraries, to read in, listen to stories in, borrow books from or study in. We also have a wonderful cookery room, a green screen room, and a drama room that we share with the secondary school.

Sport

We play lots of different sports in Tenby SEH. We love to play basketball, badminton, and football. There are lots

of school teams too, like bench ball, football, and cross-country.

Our sports complex, The Colosseum, is home to our sports teams, the Tenby Gladiators, and is a wonderful place to practise your skills. We also have two great pools where the children learn to swim and can take part in our Tenby Swim Gala.

What is your favourite sport?

What CCAs can I join?

We have lots of fantastic CCAs at Tenby SEH. They are held from 3pm to 4pm and are a great way to make new friends and experience different kinds of learning. We have CCAs every day of the week and you can choose to take part in as many or as few as you wish.

Parvati and Zhang love choir. **“I am going to be a singer when I grow up,”** says Zhang.

We have every CCA you could want, from robotics to taekwondo, and from archery to Lego.

You can do the Junior Award Scheme for Schools (e-Jass), part of the Duke of Edinburgh's Award Scheme, or improve your Mandarin. There is a sewing CCA and a yoga one, too. Mariam, Zhang and Parvati are relaxing and keeping fit and strong in the yoga CCA. They are concentrating while they are doing the tree pose.

“This is a good way to end a busy day,” thinks Mariam.

Which CCAs would you like to join?

What is expected of everyone at school?

Amazing Learning

We want everyone at school to enjoy learning while they are getting better. The children here experience Amazing Learning! It happens when you simply surprise yourself – you learn more and better than you thought you could!

Our Eight Learner Attributes

Our Eight Learner Attributes are:

- Initiative – I have a go even when things are hard
- Cooperation – I work well with my friends; together we win, together we lose
- Respect – I use kind words and actions in everyday life

- Creativity – I use my imagination to create new things
- Leadership – I set a good example to others
- Resilience – I don't give up; I always try my best
- Thoughtfulness – I show kindness to care about my friends, family, and school
- Communication – I share my ideas with others in different ways; I am a good listener

Zhang has been practising his 5 times table because he does not want to give up. He is showing resilience and will put his hand up to answer a question.

Are you good at working with your friends?

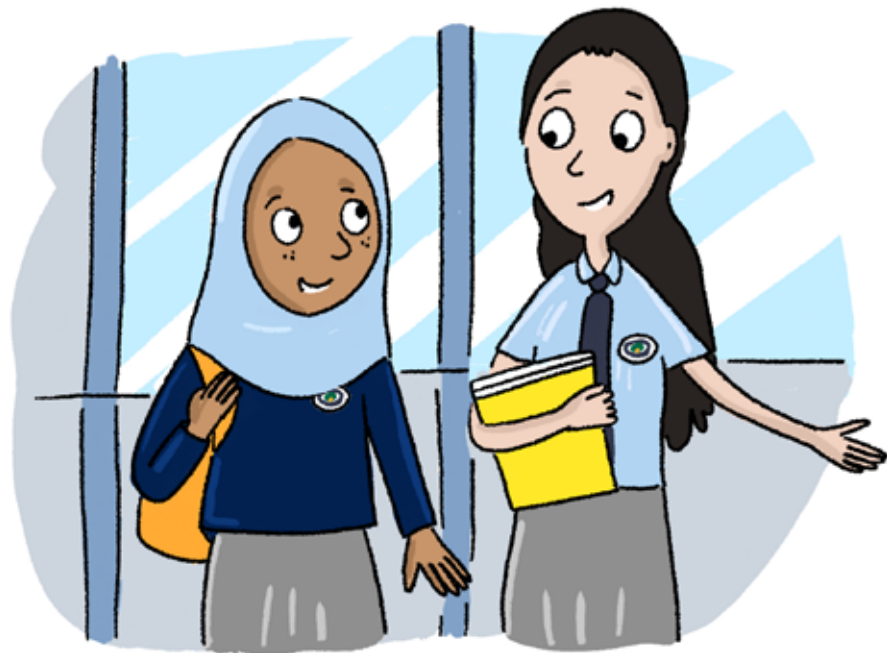

What happens when I move to my next class?

After Year 3, you will move into the KS2 Block to complete Years 4, 5 and 6.

When you have finished Year 6, you will start Year 7, in Tenby SEH Secondary School.

Before you move up to the next stage, you will have the chance to meet your new teachers and spend time in your new classroom.

We understand you might be worried about moving up, but it will also be exciting. You will still be with your friends, and you will make new friends as well.

Whichever class you move to, in whichever year, you will still have the same wonderful welcome you received when you started at Tenby Setia EcoHill.

Mariam and Zhang are showing Keerti around the Key Stage 2 Block.

“It’s lots of fun in the Key Stage 2 Block and everyone is kind,” says Zhang.

“I can’t wait to start Year 4,” says Keerti.

Are you excited about coming to Tenby Setia EcoHill Primary School?
