

Tenby International School Setia EcoHill

Student Secondary School Prospectus

What is life like at Tenby Setia EcoHill?

You will find a warm and welcoming atmosphere when you arrive at Tenby Setia EcoHill. We are a diverse community of students and teachers from across the world, and we will help you develop the skills and character to succeed as a citizen of the world.

Amazing Learning

At Tenby Setia EcoHill, you will 'wow' yourself by doing better than you expected — this is what we call 'Amazing Learning'. We believe each learning journey is unique and about getting better. You will be encouraged to think through a problem, ask questions, and find the best solution. Students at Tenby Setia EcoHill are resilient and persistent and don't give up. Our small class sizes mean you will get the individual attention you need.

There will also be exciting opportunities to develop your creative side and physical fitness.

Student leadership

You will have lots of opportunities to develop leadership skills while you are a student here. Good leadership skills can open the door to a successful career. You will learn how to build relationships, communicate effectively, and work as part of a team.

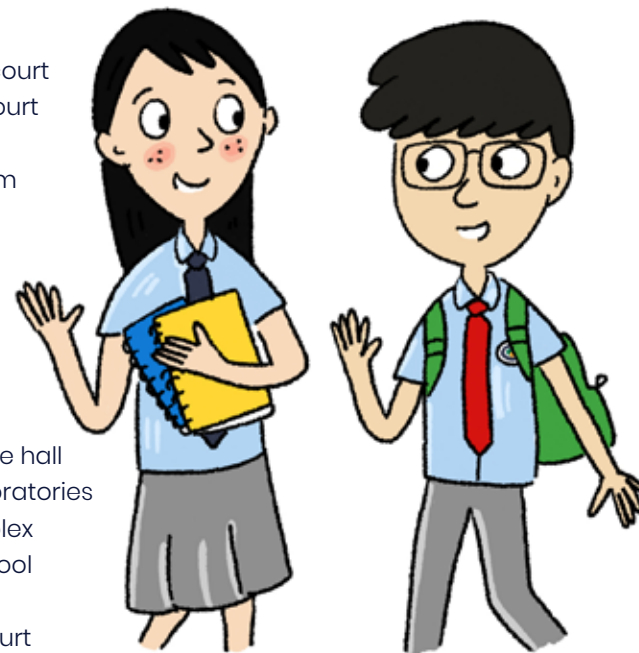

House system

You will belong to one of our four school Houses, allowing you to get to know students and staff outside your year group. Our Houses are **Falcon**, **Phoenix**, **Dragon** and **Tiger** and they compete in school sports, arts, and academic competitions.

Amazing facilities

The facilities you can enjoy using at our impressive 14-acre campus include:

- Art room
- Badminton court
- Basketball court
- Cafeteria
- Cooking room
- Design and Technology laboratories
- Football field
- ICT suite
- Library
- Music room
- Multi-purpose hall
- Science laboratories
- Sports complex
- Swimming pool
- Tennis court
- Volleyball court
- VR room

Microsoft Showcase School and Edtech

As a Microsoft Showcase School, we are part of an elite group of schools recognised by Microsoft for providing the best teaching and learning in the world today. As a Microsoft Showcase School student, you will have fun using digital technology to enhance your learning.

Our student-led Education Technology (EdTech) Team, Team SPIRIT, loves discovering what they can do using Microsoft 365, Minecraft Education, videography, and photography.

Learning support

We support all our students to make sure they can make the most of their learning opportunities.

The Learning Centre (TLC) is our dedicated student support centre on campus. Here, you will find specialist teachers who can help students with specific needs, such as providing additional English language lessons or helping with social or emotional issues and mental health.

A-Levels

After completing your IGCSEs, you can stay with us for A-Levels to get the qualifications and skills needed for university. Our students have gone on to study at some of the best universities in the world.

What subjects are on offer?

We follow the National Curriculum for England.

In Key Stage 3, all students study:

- Agama (offered to all Muslim students)
- Art
- Bahasa Melayu
- Chinese (as a second language)
- Chinese (first language)
- Design and Technology
- Drama
- English Language and Literature
- Enterprise
- Financial Carousal
- Geography
- Global Perspectives
- History
- ICT
- Mandarin (foreign language)
- Mathematics
- Music
- Personal, Social, and Health Education
- Science

Science in Key Stage 3

In Years 7, 8, and 9, you will learn how to think like a scientist.

Developing skills

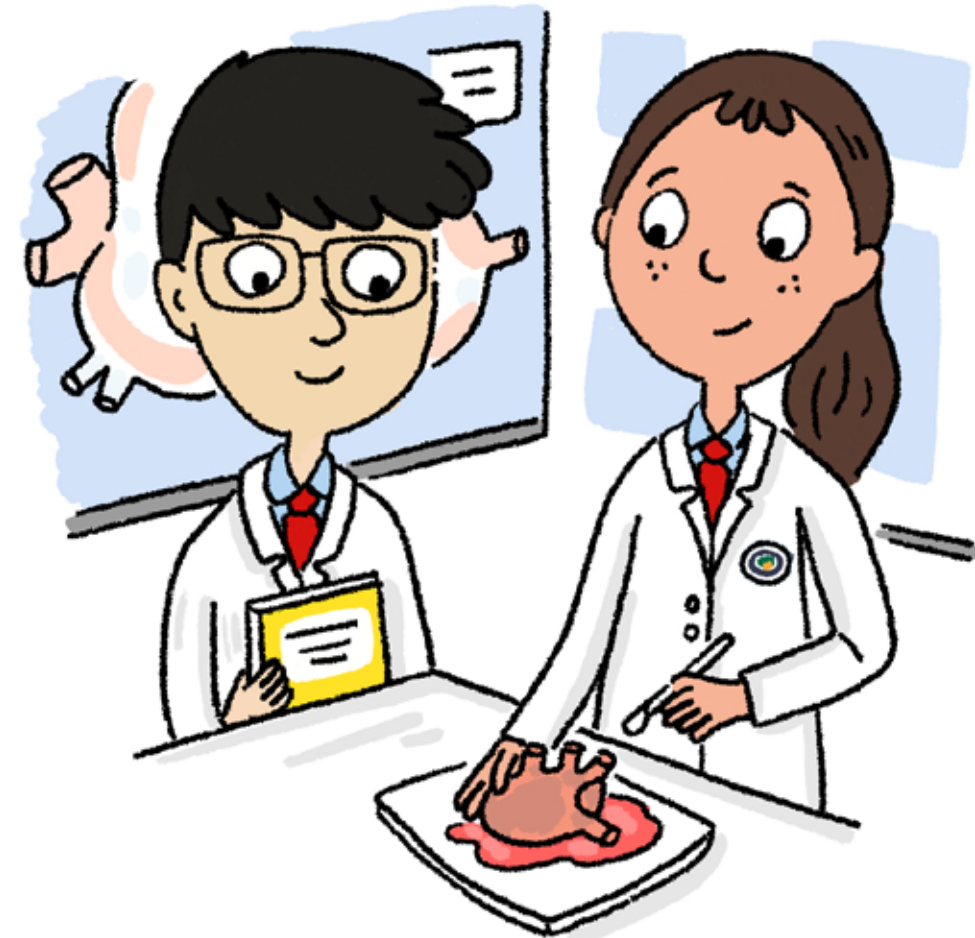

You will develop your scientific vocabulary and scientific enquiry skills, such as planning for experiments, making predictions, and gathering results.

Year 7

You will study a wide and interesting range of scientific areas in Year 7. You will learn about and conduct experiments on Cells, Materials and their structure, and Forces and Energy.

Key Stage 4

In Key Stage 4, you can choose the subjects you want to study for your IGCSEs alongside Mathematics, English, and at least one Science.

What else can I do at Tenby Setia EcoHill?

Co-curricular activities

All Tenby Setia EcoHill, students take part in at least one of our many exciting co-curricular activities (CCAs). They are a fantastic opportunity to make friends with students in other year groups and pursue your interests. CCAs take place between 3pm and 4pm.

CCAs in Year 7 include:

- Duke of Edinburgh's Award
- EdTech Team SPIRIT
- Futsal
- Hockey
- I am an ISP Scientist
- Interior design
- Islamic studies
- Journalism
- Model United Nations
- Netball
- Prefect leadership enrichment
- Sewing and handicraft
- Student Council
- Tenby String Ensemble
- Volleyball

You can also choose CCAs taught by specialist instructors who come into the school, such as:

- Tennis
- Swimming
- Hapkido
- Fencing
- P3 RoboKIT

School trips

You will have the chance to go on exciting school trips. Our students have enjoyed visiting:

- Broga Hill
- National Muzium
- Sunway Lagoon
- Nottingham University

International Learning Opportunities for students

Tenby Setia EcoHill offers fantastic opportunities for students to showcase their talents on the world stage through the International Learning Opportunities for Students (ILOS) programme. Our students take part in a range of competitions, projects, camps, and exchanges with students from around the world. There is an opportunity for every student to take part in.

Student leadership

All our students have the chance to develop and show their leadership qualities while positively impacting the wider school community. Students do this by taking on roles such as Head Boy or Head Girl, joining the Student Council, or becoming prefects, Eco Warriors, or House Captains.

Student Learning Leaders Programme (SLLP)

Our SLLP allows students to do a special project in a subject they are exceptional in. We have seen students produce many fascinating projects.

Community involvement

Our students take part in various activities to support the local and wider community and make a difference. Students are encouraged to become compassionate human beings, and we do this by supporting many charities and causes.

Charity work

Our charity work has included visiting Phnom Penh in Cambodia to help those less fortunate; helping to organise a Christmas Drive to give gifts to people in Desa Amal Jireh, Cornerstone Orphanage, and Shepherd's Centre Foundation; and donating and delivering stationery supplies to a flood-hit school in Hulu Langat.

Parental involvement

Our families come from around the world, including Europe, Africa, and Asia.

Parents' Association

If your family is new to Malaysia, our Parents' Association can introduce you to families from similar cultural backgrounds and help you adapt to life here.

Festivals and cultural celebrations

All parents automatically become Parents' Association members and are welcome at all events it organises, including Teachers' Day, festivals, and cultural celebrations.

Newsletters

Our weekly newsletters will keep you up to date with the news from around our campus. You can read about students' outstanding achievements and the latest developments in school, hear from our staff leaders, and learn more about the fantastic learning in our classrooms.

What will my future look like after Tenby Setia EcoHill?

After completing A-Levels, our students have attended universities worldwide, including in the UK, USA, Canada, Ireland, Australia, New Zealand, Japan, China, Singapore, and Malaysia.

Subjects they have studied include:

- Biology
- Business
- Chemistry
- Chinese Language and Literature
- Computer Science
- Economics
- English Literature
- Law
- Mathematics
- Physics
- Psychology

What our students think of life at Tenby Setia EcoHill?

“Tenby Setia EcoHill is a friendly school, and the teachers are very kind and helpful. I know that I can speak to them if I have any problems with my studies or anything else.”

“I am very proud to be a Tenby Setia EcoHill student!”

“The facilities are amazing! The swimming pool is fantastic.”

“The other students are really friendly and welcoming to new students. I settled in very quickly when I joined the Secondary School.”

“There are lots of brilliant co-curricular activities. There is something for everyone, whatever their interests. I love cooking.”

We hope this book has helped you to discover what a fantastic school we are and what brilliant opportunities you will have if you join us. You can contact us if you have questions or want to sign up for a trial class. Parents can use the admissions section on our website or call us on the numbers below.
