1. Rationale

Safeguarding the well-being of our students is the first priority at Tenby International School, Tropicana Aman. We are committed to providing a caring, friendly and safe environment for all of our pupils so they can enjoy an education free from fear and distress.

The purpose of this policy is to set our guidelines and procedures to achieve this important objective. At our school, we have zero tolerance of bullying and have put in measures to prevent all forms of bullying. It is underpinned by our 'Choose Respect Charter' by which every member of the school community is expected to abide.

2. Principles and Objectives

- We believe promoting excellent values, positive behaviour and relationships between all members of the community can act as a preventative measure for bullying.
- All members of the school are expected to follow our Choose Respect Charter to recognise, reduce and, wherever possible, eradicate instances in which learners or staff are bullied.
- The school will react firmly and promptly to cases of bullying. If instances do occur, it is essential that early intervention takes place by staff, students and parents/carers to prevent recurring or serious cases.
- Interventions will be applied fairly, consistently, and reasonably, taking into account all circumstances of the case,
- Guidance and advice will be provided for dealing with bullying to all members of our community. We are a *TELLING* school. This means that anyone who knows that bullying is happening is expected to tell the staff.
- We aim to raise awareness and allow learners to consider and discuss key issues through the curriculum and key events throughout the academic year.

3. Definitions of Bullying

- if you are different in some way, be proud of who you are.

4.7 Friends:

- advise the person being bullied to talk to an adult
- in serious cases speak directly to an adult yourself on behalf of your friend.

- report directly to an adult any bullying that you have observed
- give sympathy and support to the person being bullied.

4.9 Recognising the signs.

2. Wherever possible, the pupils will be reconciled

3. In serious cases, suspension or even exclusion will take place in line with the school's Choose Respect Charter / Positive Behaviour Policy.
4. After the incident / incidents have been investigated and dealt with, each case will be monitored to ensure repeated bullying does not take place.
5. All disciplinary measures in cases of bullying must be applied fairly, consistently and reasonably in line with our Choose Respect Charter.

6. Procedures

All staff and students are encouraged to report incidents using the following systems:

- Form/Class teacher
- Key Stage Leader
- Heads of School / Campus Principal
- School Nurse
- Any member of staff in whom the student feels confident to invest their trust.

6.1 Reporting

Tenby International School, Tropicana Aman is committed to acting promptly, consistently and sensitively. On receiving a complaint staff should log the incident using the **Incident Report Form**.

The relevant school leaders should be informed and if there are Child Protection implications the Designated Safeguarding Lead (DSL) and Campus Principal must be informed.

6.2 Investigating

The relevant leader(s) must conduct a thorough investigation of the alleged bullying incident. This will involve interviewing separately the victim, the perpetrator and the witnesses.

A detailed, factual written record must be made of each interview which must be signed and dated by the witness and the interviewer.

Following a thorough investigation action can be taken as follows:

<p>The incident, although unpleasant and hurtful was a 'one-off' incident and was, therefore not strictly speaking a bullying incident (using the definitions above). The offender was in the wrong, has hurt the victim and broken the Choose Respect Charter</p>	<p>Follow the school's Positive Behaviour Policy. Possible restorative meeting conducted between victim and perpetrator Possible referral to the school counsellor.</p>
<p>The incident was a genuine incident of bullying. It forms part of a pattern of deliberate and repeated hurtful behaviour towards the victim.</p>	<p>Referral straight to Heads of School / Campus Principal and DSL who will between them decide the punishment and also the support to help the perpetrator change their behaviour.</p>

7. Range of Sanctions and Support Available

The school will always bear in mind, when sanctioning and supporting students that perpetrators are more likely than their classmates to suffer from low self-esteem, depression, and behavioural problems from early childhood and through primary school.

They are more likely to suffer from mental health problems later in life and are likely to be victims of bullying themselves. Our job is to teach students how to become better communicators and to develop respect.

A range of options are available these include:

- Support and counselling offered to both the victim and the perpetrator
- Recording and monitoring of incidents
- ATL report
- Withdrawal of privileges
- Restorative conferences
- Internal seclusion
- External exclusion (fixed term)
- Permanent exclusion

This policy was written based on the principles outlined in DfES Guidance “Preventing and Tackling Bullying” 2014, ‘Bullying: Don’t Suffer in Silence’ and ‘Anti-bullying for schools’ by Kidscape 2005. This policy is in line with and embraces the Race Relations Amendment Act (2000) and the Equality Act (2010).
